medical aid to Sampgaikwar, Balekole & Balur; Kadur Dt.

FILE No. 63 of 1903-04.

Medical aid to Sampigekhan, Balehole and Balur, Kadur District.

1 From the Senior Surgeon and Sanitary Commissioner with the Government of His Highness the Maharaja of Mysore, No. 317, dated the 27th November 1903.

Reports that as the villagers in the neighbourhood of Sampigekhan and Balehole in the Mudgere Taluk pray for medical aid and as the Hospital Assistant at Kalasa cannot without prejudice to his duties there visit these places, he would post an additional Hospital Assistant to Kalasa, who would visit Sampigekhan and Balehole once a week each staying for two days at each place at a time, in case the Deputy Commissioner is instructed to pay the travelling allowance of the Hospital Assistant. (Enclosure 1 petition).

2 From the Secretary, General and Revenue Department, No. 2686—L. F. 68-03, dated 21st January 1904.

Observes that the travelling allowance payable to the Hospital Assistant is a charge probably debitable to District Funds and requests the President to lay the matter before the Board for consideration and to point out the source from which the cost may be met if the Board agree to bear the charge.

Endorsement to the Senior Surgeon, No. 2687, dated 21st January 1904.

Forwards copy of Serial No. 2.

3 From the President of the District Board of the Kadur District, No. 506, dated 27th April 1904.

Forwards copy of the resolution of the District Board that as the travelling allowance of Hospital Assistants paying weekly visits to places, has always been paid from Provincial funds, the present practice alone be continued and that sanction to the opening of a dispensary at Balur may be accorded instead of arranging to depute an Hospital Assistant to visit Sampigekhan and Balehole, and requests sanction to the opening of the dispensary promising to provide funds therefor in the current year's budget.

4 To the Senior Surgeon and Sanitary Commissioner, No. 4688, dated 1st June 1904.

Enquires whether he is agreeable to the location of an Hospital Assistant at Balur instead of at Kalasa. Enclosure copy of Serial No. 3.

5 From the Senior Surgeon and Sanitary Commissioner, No. 118, dated 22nd August 1904.

Forwards a file of correspondence and states that a new dispensary may be opened at Balur conditionally on Government sanctioning the addition of one Hospital Assistant to the strength of the Department. (Enclosures 5.)

6 From the Secretary, General and Revenue Department, No. 2429, dated 24th September 1904.

Directs that the matter of opening a dispensary at Balur must lie over unless one of the existing Hospital Assistants can be spared for duty there, and returns the original correspondence received with Serial No. 5.

Endorsement to the President of the District Board of the Kadur District, No. 2430, dated 24th September 1904.

Medical Aid to Sampigekan and Balehole, Kadur District.

Senior Surgeon's No 6317 & 27.11.03

The residents of certain villages in the Mudigere Taluk, Kadur Dist, have applied to the Senior Surgeon for giving them Medical aid. If an Hospital Assistant visits Sampigekan and Balehole once a week staying for two days at each place at a time the Sick in these places and in their neighbourhood will get medical relief. It is reported that the Hospital Assistant at Kalasa could visit these places without prejudice to his work at Kalasa. The Dy Comr, Kadur Dist, requests the Senior Surgeon to post an additional Hospital Assistant to Kalasa and pay his Travelling allowances for visiting Sampigekan and Balehole

Sam

from the Medical Budget. But the Senior Surgeon says that, if the Govt of H.H. the Maharaja of Mysore are pleased to instruct the Dy Comr to pay the Travelling allowance of a Hospl Asstt he would endeavour to find one who would be posted to Kalasa (and who would visit Balehole and Sampigekeri alternately, once a week each - staying 1 or 2 days at each place at a time.

2. Under Sec 7 of the Mysore Local Board Regulation II of 1902 recently issued, the establishment, management, maintenance and Visiting of Hospitals and Dispensaries, within the area subject to the authority of a Distt Board, are matters to be controlled and administered by the Distt Board.

3. Article 824 A of the Civil Account Code Vol II reads as follows:

824 A. Except in the following cases, the travelling allowance of an officer on whatever duty he may be employed is charged to the same head as his pay.

This

This article applies to the travelling allowance of a Medical Officer for a journey to attend on an Officer entitled to such attendance:—

× × ×
× × ×
× × ×

(d) The travelling allowance of an Officer paid from a Local Fund may, when travelling in the execution of Government duty, be paid and charged to General Revenues. Similarly the travelling allowance of an Officer paid from the General Revenues, when travelling on duty connected with a Local Fund, may be charged to the Local Fund.

× × ×

4. The travelling allowance of the Medical Officer posted to visit Saiapigeliau and Balelole is, therefore, a proper charge on the funds of the District Board, Kuria District. Recently on the strength of precedents the travelling allowance to Hospital Assistants was ordered to be debited to the Medical Budget. Please see office note in the file below ✱

5. Submitted for orders as to whether the above views may be communicated to the President under section 7 of the Local Boards Regulations and he be asked to provide out of the source in the current year's Budget for meeting this charge.

8 The matter was discussed by the Kadur Distt Board at the meeting held on the 11th & 12th April 1904. They are not in favour of making the travelling allowance of the Hospl Asst in question but recommend that the present practice of debiting this charge to the medical Budget be continued.

9. They are also not in favour of posting an additional Hospital

Assistant to Kalasa but re-
commend the opening of a
Dispensary at Balur perma-
nently, the maintenance charge
(Rs 552 per annum) of which
being borne entirely from the
District Funds, as the cost of
travelling allowance that might
be paid to the Hospital Asstt
for visiting Sampegekan and
Balehole once a week would
~~have~~ exceed the cost of a dispensary
establishment. A building is
said to be available at Balur
for establishing the Dispensary
If the above proposal is sanctioned
the Balur Hospital Asstt may
visit Sampigekan once a week
and the Hospital Assistant at
Kalasa may likewise visit ~~Sam-~~
~~pege~~ Balehole.

10. The President has pointed
out the source in the current year's Budget
for meeting the charge of the
new Dispensary for the current
year and promises to make
provision therefor in the
Supplemental Budget for
the ensuing year on receipt
of Sanction to the proposal

11

11. The points for orders are

1. Whether ~~the~~ the opening of a dispensary at Balur, instead of posting another Hospital Assistant to Kalasa may be sanctioned, and to what funds
2. ~~Whether~~ the travelling allowances of the medical men visiting Sampigekatte and Balehole should continue to be debited to the Medical Budget or to District Funds. The latter is permissible under para 3 supra.

12 On point No 2, I do not think the Board is prepared to order that the travelling allowances should be paid from the Medical Budget.

13 The more important question is the one referred to in (1) - The Senior Surgeon does not seem to have been consulted - Is he agreeable to the location of the Addl Hospital & pte at Balur instead of at Kalasa

Sir

In forwarding the accompanying petition dated 5th August 1903 from the residents of certain villages of Mudgere Taluk, requesting Medical Aid, I have the honor to state that the dispensary at Kalasa lies centrally to the areas from which the petition issues, Sampigekan 〃 being about 13 miles to one side, Balehole 9 miles to the other.

2. The Deputy Commissioner remarks on the matter in his letter No.517 dated 24th October 1903 which is herein enclosed.

3. It appears to me that an effort ought to be made to help the poor folk in these out-lying places, and if Government of H.H.the Maharaja of Mysore are pleased to instruct the Deputy Commissioner to pay the Travelling Allowance of a Hospital Assis-tant, I will endeavour to find one who would be posted to Kalsa but who would visit Balehole and Sampigekan 〃 alternately,

SUBJECT

Directs that the matter of opening a dispensary at Balur must lie over unless one of the existing Assistant assistants can be spared for Balur.

~~the Senior Surgeon~~ On the representation of the residents of certain villages in the Mudgere Taluk, the Senior Surgeon stated in his letter no 9317 dated the 27th November 1903 that he would post an Assistant assistant to Kalasa, who would visit Balehole and Sampigekhan alternately once a week ~~each~~ staying for 2 days at each place at a time, provided the Dy Commr promised to meet his travelling allowance. The District Board before whom the matter came for consideration preferred the opening of a dispensary at Balur and the Deputy Commr recommended the proposal, stating that provision would
